COVID Protocols:

- Athletes **MUST** arrive and depart in their suits. Locker rooms are not always available, plus we want to limit exposure time in locker rooms.
- Athletes should bring their own water bottles (already filled).
- If not feeling well, please stay home.
- **DO NOT** arrive more than 5 minutes early. There are several teams using the pool and we do not want to interrupt their training.
- Please park by the front entrance. We will enter as a team at our assigned time so we do not interrupt the teams practicing ahead of us.

Swim-a-Thon Results

Great job at the swim-a-thon. 19 swimmers participated in the lap swimming with 3 finishing 100 plus laps and 16 finishing 200 plus laps! Congrats to everyone!! So far \$2250 has been raised with 11 more swimmers still to turn in their money. All money is due by Jan. 6th. Hopefully we reach the \$3000 goal to have the pizza party. Don't forget that every team member is expected to raise a minimum of \$50 for this fundraiser even if you did not complete the lap swimming portion. This is our only team fundraiser.

CCST Alert Communication

Coaches will be using the REMIND app to communicate with all families. This system will alert all swim team families if there are changes in swim team events or practices. To join, text the message @ccsteagles to 81010.

REC. TEAM

The second session of the rec team will begin on Jan. 4 and run twice a week for six weeks. At this time, we have 11 signed up! The Rec Team is to give an opportunity to swimmers to try USA swimming, and is the coaches' fundraiser for the team.
