

CCST Scholarship Program Financial Aid

Deadline to apply for the 2026-27 short course season is Sept. 20, 2026.

We will accept applications on a rolling basis if funds remain.

CCST seeks to ensure that no athlete is deprived of the opportunity to participate on the team for want of financial means. To this end, a limited scholarship fund has been created to help defray the costs of Colonel Crawford Swim Team membership. To ensure the equitable allocation of these funds we ask that you complete an application. The application is confidential and will be handled by General board and the head coach to ensure privacy. The fact that a family is receiving financial assistance will not be disclosed outside of these board members.

The CCST scholarship will cover a portion of your expenses earmarked for training fees. **Ohio Swimming has an outreach program that may assist you with USA Registration fees and meet fees, and requires a separate application.**

Note: A separate application must be filled out for each swimmer. The awards within a family may vary.

Before submitting your application, please read and be ready to adhere to the following guidelines if your application is approved.

1. You will be required to pay your annual USA Swimming Registration. There is help available for the USA fees, direct from USA Swimming.
2. Families who qualify for free or reduced lunch in their school district will be given priority consideration.
3. Scholarships will be awarded in September of each year that there are funds available. Each scholarship is only good for the length of that season. Those wishing to receive the scholarship the following season must apply.
4. Receipt of Scholarship in one season does not guarantee receipt in a following season. The swimmer's practice and meet attendance, practice and meet attitude, along with parental support will be considered.
5. Misconduct, as defined by the USA Swimming Code of Conduct, is grounds for loss of scholarship.
6. Communicate promptly if the committee needs additional information. Accept or decline the scholarship by the deadlines established.
7. The scholarship is a reduction on the cost of the season. This reduction will be applied at the time of registration through the Commit billing system.
8. All decisions made by the Scholarship Committee are final and cannot be appealed.
